Hello, may I speak with (NAME)? — WAIT TO SPEAK WITH SUBJECT. My name is (TESTER) and I'm calling for the ACTIVE Study at (SITE). We recently sent you a letter about this program to help older persons to improve their abilities to concentrate, remember and solve problems. Do you recall receiving this letter? **IF SUBJECT <u>RECALLS LETTER</u>**: IF SUBJECT DOES NOT RECALL LETTER: Do you have any questions? The purpose of this program is to see if improving the abilities of older persons to concentrate, remember and solve problems helps them to more easily manage daily living tasks such as managing money, preparing meals and driving. The program is funded by the National Institutes of Health (National Institute on Aging/National Institute of Nursing Research) and is being offered to persons in your (town/ building/area/ community). Do you have any questions? IF SUBJECT HAS QUESTIONS, ANSWER APPROPRIATELY AND STATE: I am calling today to see if you are eligible for this program. I would like to ask you a few questions which will take about 10-20 minutes. Is this a good time to talk with me? IF YES: BEGIN TELEPHONE SCREENER. IF NO: GET CALL BACK TIME AND STATE: Thank you. A member of our staff will call you then. THE FOLLOWING CONSENT/CONFIDENTIALITY STATEMENT MUST BE READ TO ALL SUBJECTS AND INITIALED. Before we begin, I'd like to mention a few things. All of your responses are completely confidential, and will only be seen or heard by people directly associated with the study. No information about any specific individual will ever be reported. Your name will never appear in any report about this study. You may refuse to answer any questions at any time. Do you have any questions before we begin? I HAVE READ THIS STATEMENT TO THE SUBJECT.
